

LET ONE GIFT DO THE WORK OF TWO

In the holiday season, many of us want to remember friends and relatives in a meaningful way -- one that emphasizes relationships rather than material goods, one that helps build in a time of far too much destruction.

A contribution to Pioneer Valley Habitat for Humanity will help us construct a home for a family in need *and* honor the ones you wish to remember. We will send a card to the people you designate, noting the materials you have provided by your gift:

- **Three 2'x4' studs (\$25)**
- **Four Sheets of Sheetrock (\$50)**
- **Five Gallons of Paint (\$80)**
- **A Kitchen Cabinet (\$200)**
- **Fifty Square Feet of Laminate Wood Flooring (\$250)**
